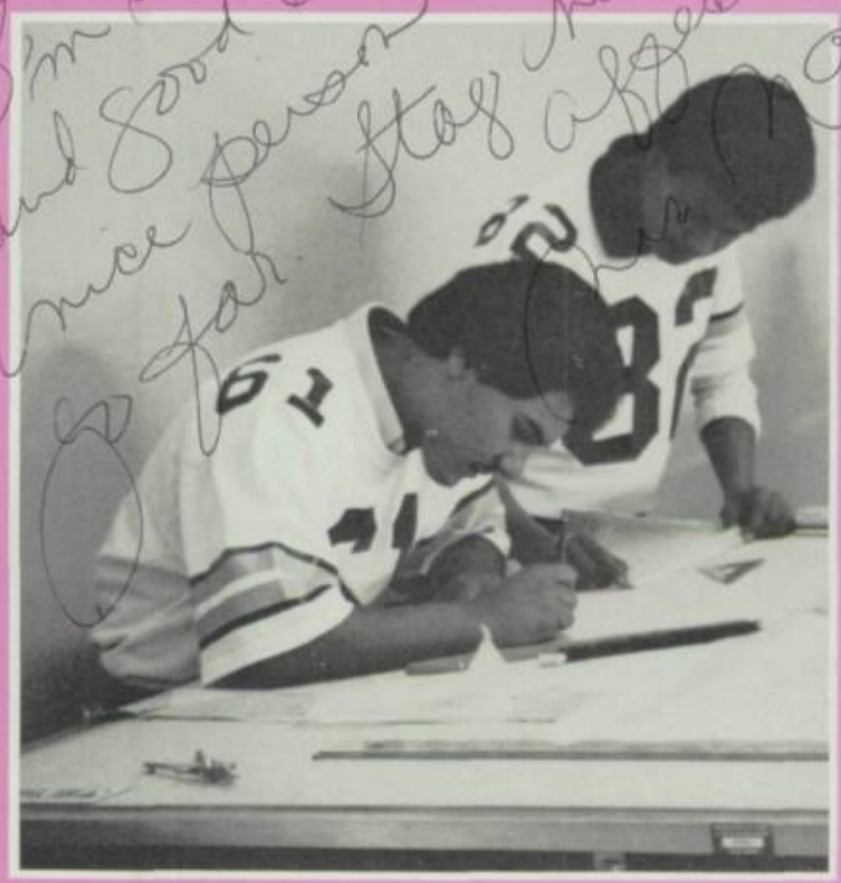
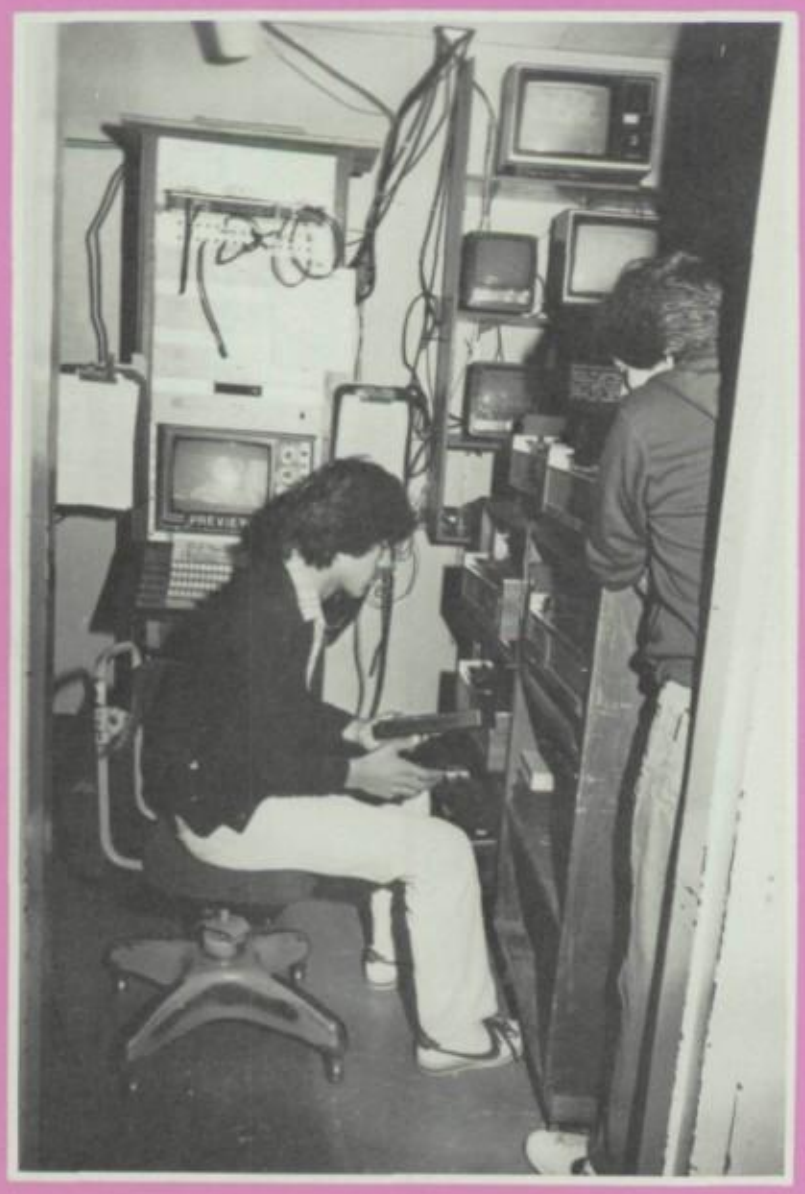
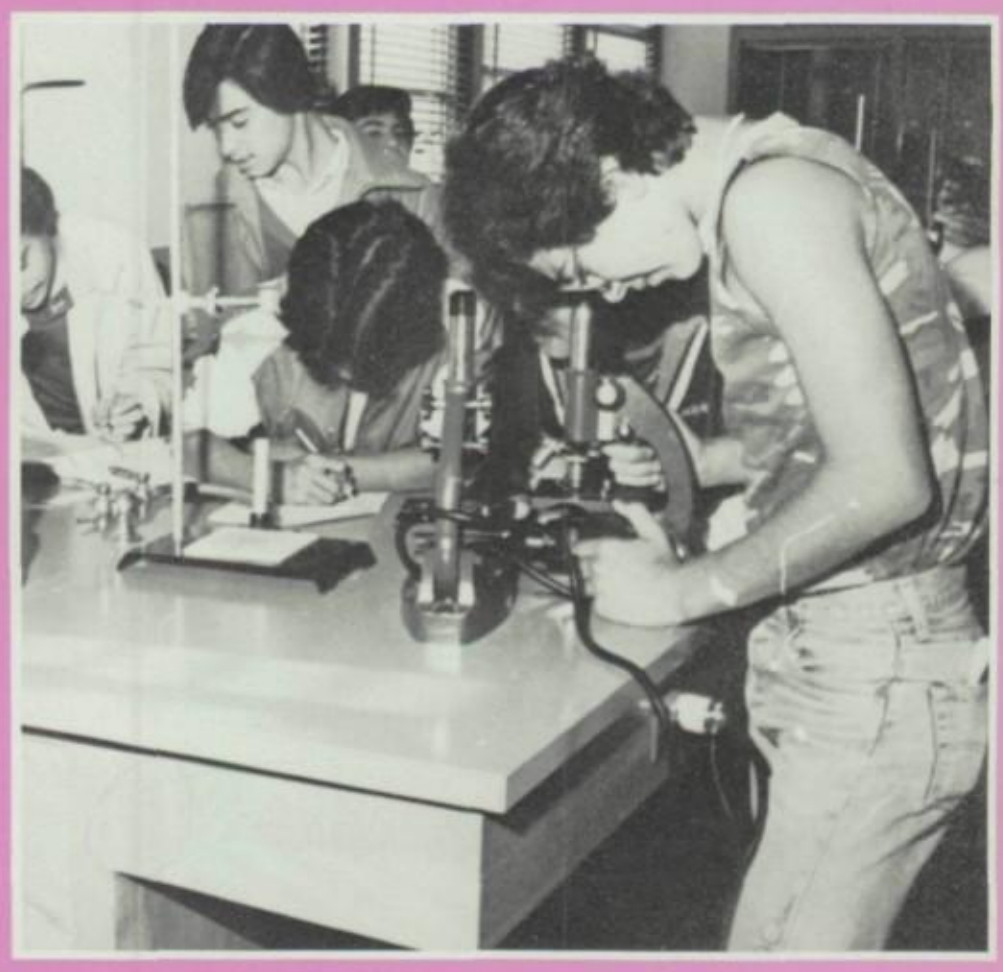
THE MULES AT WORK

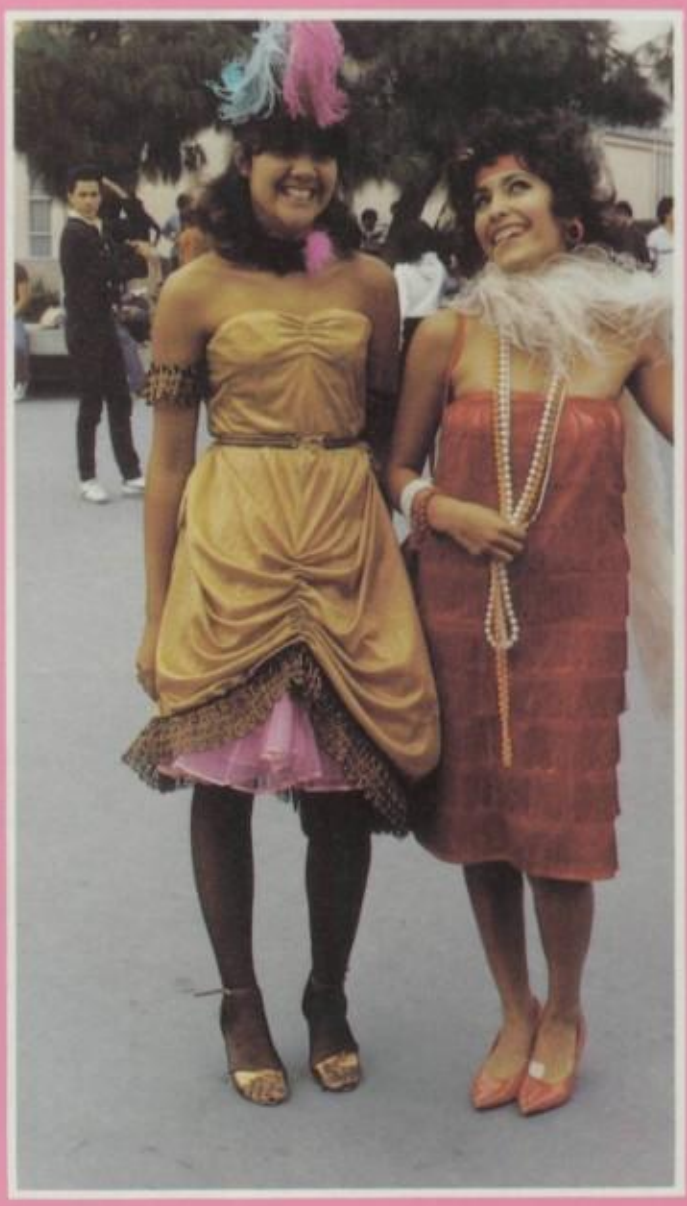


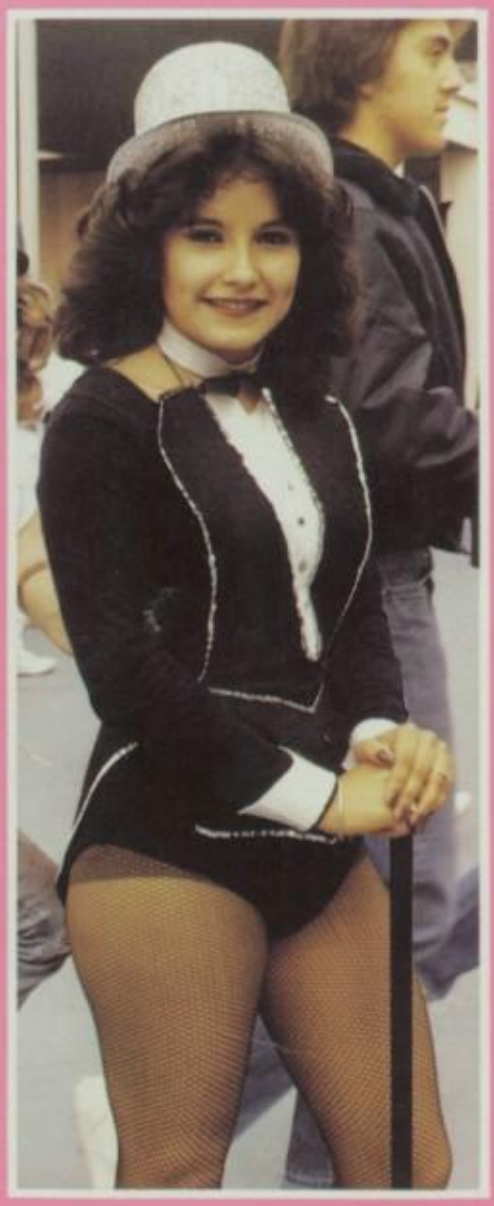


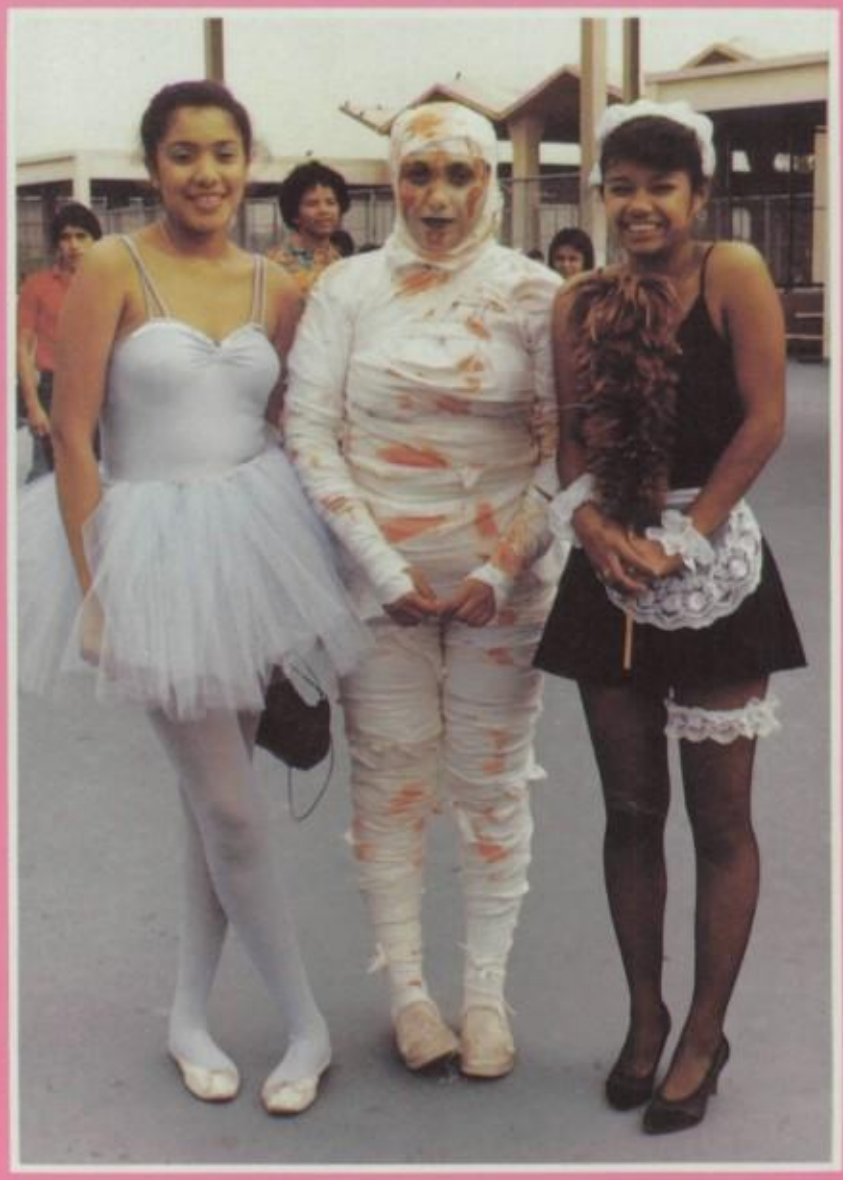


PUMPKIN DAY AT WILSON HIGH

It's that day again! Wilsonites transform themselves into creatures that certainly must be visitors from the planet Pumpkin. The scene is wild, mad, crazy, nutty and outrageous. But most of all, it's fun.







BALLET FOLKLORICO

Eleven years ago the Folklorico Group was started at Wilson High School to bring to the students the Hispanic culture in the form of music and dance. Since then the group has performed throughout the city presenting their program to city schools, numerous community and church functions, conventions and dance festivals. The Folklorico is under the direction of Raul Macias.

JESUS GIVES US LOVE TO SHARE WITH OTHERS

Marty Ramirez was known by almost everyone at Wilson High. He was a friend to many who appreciated his outstanding qualities; friendliness, trust and respect for others. Marty was an energetic person who loved sports, especially football and basketball.

He enjoyed life and he was planning his future in a mature and constructive manner.

Marty is no longer with us but we will never forget the memories of the good times we shared with him. When you remember Marty, think of him the way he was; always smiling and joking. Rest in peace Marty.

On Jan. 26, 1983, Joey Medrano was an innocent victim to an unfortunate act of violence. His unexpected and tragic death left many of us grief striken and bewildered. However, let us acknowledge him and remember him as he was. His cheerful attitude, his wholesome character, his sympathetic personality, made him a special person. He was a loving son, a caring brother, a loyal friend as well as a football star. He had obtained the potential to achieve a successful future in the sport he most loved. We saw him play, we saw him live, we saw him die. Fortunately, he left us many fond memories which we shall always remember. As graduation night approaches for the class of '83, may we all remember Joey as the classmate who had no room for hatred in his mind, for he carried only kindness in his heart.
